

Guiding Your Students College Journey

CiCompass™ provides free tools for you to more easily track, monitor and guide your students College Prep

You and your team manage an overwhelming number of students. And you wear many hats, including college counseling.

CiCompass is a NO COST solution that helps you oversee and manage your students' path to their future. It reduces your workload and improves student outcomes with an easy-to-use, web-accessible dashboard that tracks student goals and accomplishments. CiCompass provides direct communication and visibility for each counselor on student status and progress throughout their entire high school journey.

Combined with a 100% mobile app experience for your students, CiCompass provides the tools you need to modernize and streamline your college counseling process and empower your students – for free.

MONITOR GROUP OR INDIVIDUAL PROGRESS

Monitor every student's college prep. Robust reporting provides insight on individuals or by caseload.

KEEP THEM ON TRACK

Set automated reminders that pop-up right on your students' phones and prompt them to take immediate action.

GIVE STUDENTS TOOLS FOR SUCCESS

Student tools include check lists with due dates and links to all the college prep and application resources needed.

GET THEIR ATTENTION

Instant messaging gets your students attention to keep them focused and on target! Broadcast to groups or individuals.

College Advising Just Got Easier with CiCompass

Why CiCompass?

- Benefit from a more streamlined approach to the college counseling and selection process.
- Reduce your workload while improving student outcomes.
- Mobile apps and tools are geared toward today's mobile-dependent teens.
- Implementation is simple and fast with our onboarding program.
- No IT integration needed.
- CiCompass and the Ci Mobile App are FREE to high schools and students.
- Created by a team of industry professionals from secondary and higher education who understand your challenges first-hand.

If you could benefit from a NO COST solution to streamline and improve your entire college counseling process and directly connect your students to colleges, contact us today.

EASILY IDENTIFY WHAT STUDENTS ARE LOOKING FOR IN A COLLEGE

90% Student Adoption Rate

Learn more about your students:

How are they unique?

What are their interests?

What are their qualifications?

Students build custom profiles to help you guide them to the right schools.

SEARCH COLLEGES BASED ON INDIVIDUAL PREFERENCES

Over 4,000 College Profiles

Search on over 4,000 college and university profiles. Students set individual preferences to automatically find college matches based on their profile.

CONNECT STUDENTS DIRECTLY WITH PREFERRED COLLEGES

7,000,000+ College Searches

Today's students live on their phones. Ci delivers effective mobile communication that students PAY ATTENTION and respond to. Colleges and their reps can deliver information and chat with your students one-on-one right from the app.

PROVIDE STUDENTS WITH ONE STOP RESOURCES

College Prep Resources are a Click Away

Access all the resources needed from preparing for college to paying and applying. It's all here including the College Board, Common App, and FAFSA, test prep, summer programs and more.
